

CUSTOMISE YOUR SUPERPOD® INSIDE

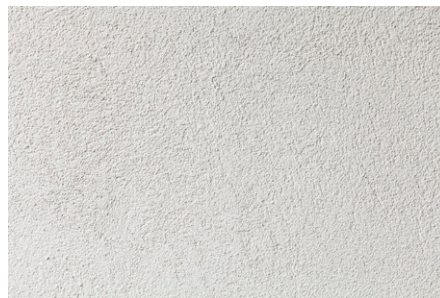

Superpod® is not just a rigorous passive house building envelope designed for top performance.

It's customisable and flexible inside and out!

CUSTOMISE YOUR PODHOUSE® ROOMS

The inside of your Podhouse® has finished white steel walls, the steel beams and posts can be painted whatever colour you choose. You might like to layer up your interiors now or later.

Create your own look to suit your style: plaster, linen curtains, fabric panels, or hoop pine ply. Whatever takes your interest.

MODERNIST PODHOUSE®

Modernist furniture and fittings are often architect designed. Clean and uncluttered, unadorned and elegant. Based on the Modernist ethos of 'form follows function'.

Eames and Danish furniture looks perfect in the slick industrial frame of a 'Modernist' Podhouse® room. Le Corbusier and Mies Van Der Rohe were great architects who designed modernist furniture.

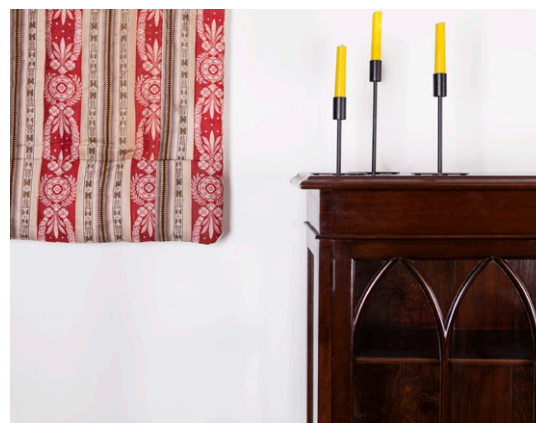

NATURAL PODHOUSE®

If you like organic, earthy, textured or recycled materials, you love travel and experiencing cultures around the world, the eco, boho, 'Natural' Podhouse® is yours!

CLASSIC PODHOUSE®

Traditional, period furnishings from our glorious past. Edwardian, Art Deco, anything 'Classic'!

TREND PODHOUSE®

The latest fashion, contemporary and cutting edge. Cool stylish furniture and fittings. Always up with the times - 'Trend'!
